

## Strategic Planning Meeting

We planned to have a date set for the upcoming Strategic Planning Meeting the meeting after the school. I think it would be apropos to plan for it to be the first meeting at our new meeting location. Given the amount of work we are currently participating in, with the DSA, student work, protests etc, it makes more sense in my mind to have a streamlined planning meeting shooting for 3 hours without the extended political discussions. Then we could hold it on a normal Wednesday night. I have a draft agenda prepared as well.

1. Adopt Agenda
2. Branch Committee and Slate (20 minutes)
  1. Goal to establish biweekly BC meeting phone call
